

no-end (F)

no- end (S) Surface mounted / Wall / Ceiling, anthracite, 24V DC, 21 W

General Characteristics:

Profile aluminum length on request max. 3000mm.

Electrical Characteristics

Power / power consumption 21W / 1000mm.
 Input Voltage 24V DC
 Power supply unit incl. switching power supply
 Electronically reversible dimmable via optional controller
 Connection possibility male / female
 Protection class III

Light Technical Data

Bulb LED-module fixed
 Colour Designation 2700, 3000, 4000K
 Other colour on request
 Luminous flux 1510lm / mtr. (4000K)
 Beam angle 12°, 30°, 45°
 LED type High Power
 Dimensions Length on request. Width 30mm. Depth 21mm.
 Working temperature -20°C - +50°C
 Storage temperature -10°C - +60°C
 IP67 IK10

Type	Light Temperature	lumen	cod.-Nr.	Angle XX
no end(F) 21W, 1000mm.	2700K	1400	73110.27.XX	
no end(F) 21W, 1000mm.	3000K	1450	73110.30.XX	
no end(F) 21W, 1000mm.	4000K	1510	73110.40.XX
